## LARGEST FLEET

- ...of infrared trucks in the United States.
- ✓ We out-perform on large jobs where multiple pieces of equipment are needed!

# SEAMLESS PAVING...

...as an Alternative to Mill & Pave or Patching

BEFORE

AFTER

## QUALITY

- ✓ The repair is seamless, thermo-bonded, and permanent.
- ✓ Roads look restored, not patched.
- ✓ Call backs for failing patches will be eliminated.

## TIME

- ✓ A 5'x7' repair takes under 20 minutes to complete.
- ✓ The road can be immediately reopened to traffic.

## APPLICATIONS

- ✓ Utility Repairs
- ✓ Pot Holes
- ✓ Bumps & High Spots
- ✓ Oil Spots
- ✓ Paving Defects/Seams
- ✓ Speed Bumps

## COST EFFECTIVE

- ✓ Repairs are competitively priced.
- ✓ Atlantic Infra-Red restorations are permanent.
- ✓ Less asphalt is needed for the repair.

## RECYCLE

All unused and waste materials are returned to a recycling facility ...just doing our part!
